MEMORANDUM FOR: Director of Personnel
THROUGH : Deputy Director of Personnel
for Special Programs
SUBJECT : Nominations of Candidates for the 1973-
1974 Public Service Awards Program

1. In response to a memorandum from Harry Fisher dated 26 June 1973 regarding subject, Mr. Colby indicated on 12 July: "Resubmit Duckett - Submit [] - See if we can stimulate any others?" STAT

2. Mr. Duckett will be the candidate for the National Civil Service League Career Service Award and [] the candidate for the Federal Woman's Award. I doubt that an additional memorandum to the DD's will really stimulate much in the way of candidates for the Arthur S. Flemming Award, William A. Jump Award, Federal Paperwork Management Award, Presidential Management Improvement Award, Horace Hart Award, Maurice H. Stans Award, or the Warner W. Stockberger Award. STAT

3. It is recommended that you discuss this matter with the Acting Deputy Director for Management and Services and suggest to him that he raise it at the Director's Morning Meeting. The Deputies should have the memorandum from D/Pers dated 6 April 1973 that requested candidates and had as an attachment the criteria for the various awards. If they require additional information, we will provide it.
